Global Solutions to Tackle Local Issues Creating a Community of Practice

University
of Glasgow

BARTA Conference 2024
Glasgow 12th-14th June

Day 1	Session	Theme and structure
08:00-08:45	Registration	
09:00-09:10	Welcome and housekeeping Patrick Pollock Jim Green Steve Foye	Welcome from BARTA and Glasgow School of Veterinary Medicine
09:10-09:35	Opening address Josh Slater	Outcomes of last conference - UC Davis 2017 - Managing Risk - Meeting Societal Needs Conference aims and themes - Glasgow 2024
09:35-10:20	Community Response - Incidents Involving Animals - What Have We Learnt? Jim Green	Presentation: Reflecting on challenges and future needs of responding to animal emergencies within the UK Fire and Rescue Service; <ul style="list-style-type: none"> ● Localised emergencies through to major incidents - Where are the Gaps? ● Supporting Responders - Supporting Communities - What are the Needs? ● What can we Understand from the Past 25 Years of Response? ● What should Inform our Community Integrated Risk Management Plan?
10:20-10:50	Break	Coffee / networking
10:50-11:50	All Species - All Hazards - All Responders (Whose Responsibility is it Anyway?) Chair Steve Foye <ul style="list-style-type: none"> ● Steve Buchanan-Lee ● Stuart Ross ● James Sawyer ● Dave King ● Nate Hartinger ● Victor Macpherson 	Panel Discussion: Whose responsibility is it anyway? <ul style="list-style-type: none"> ● Rationale for incident guidance within the Fire and Rescue Service? ● Is there a legal mandate in the UK to account for animals during emergencies and disasters? ● What is the international experience? ● Why is this not regarded as mainstream activity for all emergency responders? ● What are common barriers to progress? Are these truly a barrier?

Inspiring excellence in animal response

Day 1	Session	Theme and structure
11:55-12:55	A One Health/One Welfare Initiative? Opportunities - Demonstrated Need - Expertise to Offer? Chair James Sawyer <ul style="list-style-type: none"> • Josh Slater • Hayley Squance • Jonathan Statham • Sheila Voas • Alastair George • Geoff Edmund 	Panel discussion: A wealth of knowledge and experience can support governments in understanding community risk and help build resilience in the one health environment. This session will identify key opportunities to get involved and pathways to progression. <ul style="list-style-type: none"> • Animal Welfare in disasters and emergencies - What were the findings of the FAWC* report 2012 for the UK and Europe, why was it commissioned and has there been progress? https://www.gov.uk/government/publications/fawc-opinion-on-contingency-planning-for-farm-animal-welfare-in-disasters-and-emergencies • How have animal welfare concepts evolved since 2012 and what is the current relevance? • Resilience framework document - developing understanding of national resilience - what role should we play in developing national understanding of animal issues? https://www.gov.uk/government/publications/the-uk-government-resilience-framework <i>(Risk, responsibility and accountability, partnership, community, investment and skills)</i> <i>*FAWC, now Animal Welfare Committee</i>
13:00-14:00	Break	Lunch / networking
14:00-15:00	Breakout session 1	CPD workshops <ol style="list-style-type: none"> 1. From Chaos to Order: The Art and Science of Triage in Equine Emergency Medicine (Nicky Housby Skeggs / Debbie Archer) 2. Small animal trauma care. Priorities for emergency responders and first opinion veterinary professionals (Adam Mugford) 3. Flood Response - People and Animals - What do we Know, are we Prepared? (Mick Titcombe / Dave King / Eric Thompson)
15:00-15:30	Coffee / networking	
15:30-16:30	Breakout session 2	CPD workshops <ol style="list-style-type: none"> 1. Fires and Floods - Emerging Understanding of the Medical Issues in Large Animals (Chris Riley) 2. Can gaming play a role in preparing vets and first responders? Disaster field assessment tool in action (Joris Wijnker) 3. To lift, or Not to Lift - That is the Question! When, How and With What? ...and What Next! (Nicky Hosby -Skeggs / Adty Knight / Milly Bowler / Lais Rosa Costa)
16:40-17:00	Round up Josh Slater	Round up of the days learning outcomes and look forward to tomorrow

Day 2	Session	Theme and structure
08:30-08:35	Welcome to Day Two Steve Foye	
08:35-09:15	Gearing up for a UK climate emergency? Rosie Foster Debbie Archer	We recognise the impact of climate change and are seeing a resulting increase in emergencies and disasters around the world. What impact might this have for the UK and what foreseeable risks should we be preparing for?
09:15-09:55	Catastrophic impact of extreme events on localised communities - An international experience? Patrice Palleson-Putt	Catastrophic impact of extreme events on localised communities, based on the Edgecumbe floods in 2017, Nelson wildfires in 2019, and the recent Cyclone Gabrielle response in 2023 all in New Zealand.
09:55-10:35	Developing veterinary professionals for disaster response Mike Ziccardi Ashley Patterson	California statewide veterinary response and training - What led to a mandated and state funded initiative?
10:35-11:00	Break	Coffee / networking
11:05-11:45	Evacuating people and their animals - a planning gap? James Sawyer	<ul style="list-style-type: none"> • Understanding the scale • Human behaviour in relation animals • The challenges of evacuation and sheltering for people with their animals • Frameworks and action for planning

Inspiring excellence in animal response

Day 2	Session	Theme and structure
12:20-13:00	Wildlife Response- A Different set of problems! Chair Jim Green <ul style="list-style-type: none"> • Stu Ross • Hazel Cross • Geoff Edmund 	<ul style="list-style-type: none"> • Creation of a Wildlife Emergency Support Network • Humane animal dispatch scheme - Hampshire and Isle of Wight Constabulary • How else might wildlife professionals support response?
13:00-14:00	Break	Lunch / networking
14:00-15:30	Incident Reflections Chair Steve Foye <ul style="list-style-type: none"> • Patrick Pollock • Andrew Brownlow • Hayley Squance • Jim Green 	Presentations Incidents of note to be discussed: <ul style="list-style-type: none"> • Major road incident involving a pig transporter in Scotland • Mass stranding of marine mammals in Scotland • Wildfire incident management structure (Nelson fire New Zealand) • SELECT Model: Incident Assessment
15:30-16:00	Break	Coffee / networking
16:00-16:30	Global solutions to tackle local issues? Jim Green Josh Slater	Presentation: Local issues, mirrored internationally? - How do we fill the gaps? <ul style="list-style-type: none"> • International Community of Practice (INCOP) • International Joint Education Coalition (InJEC)
16:30-16:45	Round up	Round up of the days learning outcomes and look forward to tomorrow
Evening Social Event at the Oran Mor - 19:00 till late		

Inspiring excellence in animal response

Day 3	Session	Theme and structure
10:00-11:30	International Community of Practice Jim Green Josh Slater	Open forum for delegates wishing to be part of InCOP.
11:30-12:00	Main conference close Josh Slater	Round up and reflection
13:00-15:30	International Joint Education Coalition	Representatives from InJEC members to discuss next steps

BARTA held our 2017 event in partnership with UC Davis School of Veterinary Medicine in California. This was an exciting opportunity for continuing our vision of building relationships and developing best practice. In the short set of films Professor Josh Slater reflects on the highlights, main themes and the take home messages from the conference: [Learning Needs and Evidence Gaps](#)

Inspiring excellence in animal response

Confirmed Speakers

- Professor Josh Slater, BARTA Board of Directors and Co-Founder, Associate Dean, Undergraduate Programs at the University of Melbourne
- Jim Green, BARTA Director of Operations and Co-Founder
- Steve Foye, BARTA Board Non-Executive Director
- Dr Nicky Housby-Skeggs BVetMed, FHEA, MRCVSs, Veterinary Director at The Horse Trust, BARTA Board Chair
- James Sawyer, Principle Consultant, Europe, Oxford HR, BARTA Executive Board Member, UK
- Professor Patrick Pollock BVMS, PhD, CertES(Soft Tissue), DipECVS, FHEA, FRCVS, Director and Equine Surgeon, Professor of Veterinary Surgery and Remote and Rural Medicine (Equine Clinical Sciences, BARTA Scotland Lead, UK
- Steve Buchanan-Lee, National Fire Chiefs Council (UK) Lead Officer Incidents Involving Animals, UK
- Nate Hartinger, Deputy Fire Chief - Operations & Safety, UC Davis Fire Department, USA
- Dr Hayley Squance, BML Consulting Limited, Massey University Joint Centre for Disaster Research, Disaster Consultant, New Zealand
- Dr Sheila Voas, Chief Veterinary Officer, The Scottish Government
- Dr Andrew Brownlow, Senior Lecturer in Veterinary Epidemiology (Ecology & Environmental Change), University of Glasgow, School of Biodiversity, One Health & Veterinary Medicine
- Dr Adam Mugford, BVetMed MVetMed DACVECC FRCVS, RCVS Recognised Specialist in Emergency and Critical Care (ECC), BARTA Small Animal Working Group Lead
- Mick Titcombe, Station Manager, Animal Rescue Lead - Northamptonshire Fire and Rescue Service, BARTA Trainer
- Eric M Thompson, Senior Director ASAR Training and Response, USA
- David King, Deputy chair (AEIMN) and Deputy Unit Commander, Hawkesbury Unit, NSW State Emergency Service, Australia
- Professor Chris Riley, University of Guelph - Department of Clinical Studies, Ontario Veterinary College, Canada
- Professor Debbie Archer, BVMS PhD CertES(soft tissue) DipECVS MRCVS FHEA, Professor of Equine Surgery Equine Clinical Science, University of Liverpool, BARTA Large Animal Working Group
- Dr Joris Wijnker, Specialist RDVA Veterinary Public Health, Animal Disaster Education (ADE) Foundation, Netherlands
- Ady Knight, Animal Rescue Team Leader - Hampshire and Isle of Wight Fire and Rescue Service, BARTA Training Lead
- Milly Bowler, Animal Rescue Accredited Instructor Buckinghamshire Fire and Rescue Service, BARTA Trainer
- Patrice Palleson-Putt BSc, BVetTech, MEd, Massey University, Senior Tutor - Veterinary Science, Manager of the Massey University Veterinary Emergency Response Team, New Zealand
- Dr Michael Ziccardi DVM MPVM PhD, Executive Director of the One Health Institute, UC Davis, California, USA
- Dr Ashley Patterson DVM MPH, Associate Director of Operations for the California Veterinary Emergency Team (CVET), UC Davis, California, USA
- Dr Claudia Sonder DVM, Large Animal Veterinarian, Napa Valley Equine, President Napa CART, President Cal CARTs, California, USA
- Stuart Ross, Country Watch Rural and Wildlife Crime Inspector, Country Watch Rural and Wildlife Crime Coordinator
- Hazel Cross, Country Watch Rural and Wildlife Crime Coordinator, Country Watch Rural and Wildlife Crime Coordinator
- Geoff Edmund, National Wildlife Officer, Coordinator (Inspectorate) RSPCA
- Victor MacPherson, University of Guelph, Canadian InJEC Representative
- Professor Jonathan Statham, Chair of the Animal Health and Welfare Board of England (AHWBE), Partner at Bishopton Veterinary Group and Chief Executive of RAFT Solutions
- Dr Alastair George, British Veterinary Association, Scottish Regional Representative
- Professor Lais Rosa Costa, Veterinary Medicine Cooperative Extension, Rural Community Animal Disaster Preparedness, UC Davis, California, USA
